Please Help Us In The Fight Against Multiple Sclerosis!

The Hope Mills Chamber has formed a team for Walk MS because the National Multiple Sclerosis Society funds more MS research than any other private organization. In addition to supporting studies which hope to reveal the cause and course of the disease, the National Multiple Sclerosis Society also provides much needed education, programs, and services to everyone who is affected by MS - including the diagnosed, their friends and families, and the healthcare professionals who work with them.
